Advanced Practice Provider: Anticoagulation Clinics
Confluence Health, Moses Lake, Washington

Why join Confluence Health
At Confluence Health, you are an integral part of the treatment team. We invest in your success and professional development. Your career here includes:

- Working in a Center of Excellence: providing comprehensive anticoagulation management including warfarin, DOACs, injectables, and peri-procedural management
- An active mentor program for successful team/program integration
- Medical Director oversight with regular interaction, support, and case consultation

What we’re seeking
- Concise and compassionate communication skills to educate patients and families
- Thorough documentation skills to maintain comprehensive patient records in compliance with organizational policy
- Appropriate certification and the ability to obtain an active license in Washington State

Who we are
Located in north central Washington State, Confluence Health is an integrated healthcare delivery system that includes:

- Two hospitals with more than 30 medical specialties
- More than 300 physicians and 170 advanced practice clinicians
- A 12,000 square-mile service area in 12 communities

Our vision is to become the highest value rural healthcare system in the nation that improves health, quality of life, and is a source of pride to those who work here.

World-class outdoor recreation Moses Lake, Washington, is in Columbia Basin, known for dazzling sunsets and prehistoric geology. A sports enthusiast’s paradise offering boating, camping, hunting, fishing, bird-watching, hiking, golfing.

Welcoming, friendly community. Complementary public and private school systems along with its own community college allowing opportunity for running start programs in addition to rigorous AP classes for our local High School. Historical museum, performing arts theater, community festivals and celebrations, and a host of recreational activities for baseball, softball, soccer, volleyball, and more for all ages.

With affordable housing, reasonable power rates, and no state income tax, the overall cost of living balanced with Confluence Health’s competitive salary and benefits allows your dollar to go a long way in creating an enjoyable lifestyle right here in Moses Lake!
