Disease: ACCP (CHEST) Guidelines Update 2021

Date of CE Release: 11-11-2021

Date of CE Expiration: 11-11-2023

Location: Online

### **Acknowledgement of Financial Commercial Support**

No financial commercial support was received for this educational activity.

### **Acknowledgement of In-Kind Commercial Support**

No in-kind commercial support was received for this educational activity.

### **Satisfactory Completion**

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, pass the post-test with a score of 75% or higher and complete an evaluation form to receive a certificate of completion. If you need MOC credit, you also need to pass a posttest with a score of at least 75%. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

### **Joint Accreditation Statement**

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Anticoagulation Forum. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE),

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## Physicians

Amedco LLC designates this material for a maximum of *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Pharmacists and Pharmacy Technicians

Amedco LLC designates this activity for a maximum of 1 knowledge-based CPE contact hours.

## Nurses

Amedco LLC designates this activity for a maximum of 1 ANCC contact hours.

## Objectives - After Attending This Program You Should Be Able To

1. Identify key changes in guideline recommendations from previous editions and incorporate them into clinical practice.
2. Select the most appropriate treatment option and duration for VTE based on patient and condition characteristics.
3. Recognize factors that increase the risk of VTE recurrence and modify individual patient care plans to maximize positive health outcomes

## Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest:Relationship
Philip Wells	BMS/Pfizer, Bayer Healthcare, Janssen, Sanofi:Consultant
